Commodore's Corner - Lavonne Hamilton

Thank you all for the wonderful commodore's gifts - my PJ's, basket full of goodies and the gift certificate to Skamania Lodge. Wow, what an amazing gift - we so look forward to our time at the Lodge. Thanks to everyone who volunteered to host cruises and for all that participated - it made the year a lot of fun. A big thanks to the officers and board members who helped me all year long. We have loved spending time with all of you and look forward to an amazing 2023 with Richard Rich & Sue Cory at the helm.

Robin's Maintenance tip:

Were you aware that motor oil has a shelf life? A lubrication specialist at Chevron Oil, that I spoke to, stated that motor oil in an unopened container has a shelf life of about 5 years. After that time, additives begin to fall out of suspension and cannot be recombined by shaking or stirring up the oil. The manufacturing date can usually be found on the side or bottom of the container. So, for the best possible protection for your engine(s) use oil that is 5 years old or less. Looking forward to boating in 2023!

Board of Directors Meeting 11/13/22 Minutes

The meeting was called to order by Commodore, Lavonne Hamilton, at 1:27 PM

Introductions were made of new members, Randy and Jo Stone, and of the Board of Directors: Richard Rich, Vice Commodore, Susan Hoffman, Secretary / Treasurer, Jerry Schmaltz, Past Commodore, Marv Peterson, first year board member, Gary Simmons, first year board member, Robin Hamilton, second year board member and Bruce Chambers, CRYA liaison.

The Commodore thanked the following people: Suzanne Renshaw, roster maintenance and web backup; Marian Peterson: making burgees; Gary Simmons: keeping track of officers duties and maintaining the Franklin Fund. Cruise host gifts were presented to all members that hosted cruises this year. The Commodore thanked the nominating committee for their work, and finding the next set of officers.

OLD BUSINESS:

There was no old business to discuss.

NEW BUSINESS:

Gary Simmons thanked all veterans for their service and wished all veterans a Happy Veterans Day.

Suzanne Renshaw brought up discussion regarding the printed roster. If we're going to print a roster, could we move the due date earlier to accommodate printing prior to the first cruise? Discussion continued, regarding whether or not to print a roster considering the cost and the time involved in securing advertisers. After much discussion, it was motioned, second and carried to continue with a printed roster for this year. It was suggested to add a poll in the next newsletter to determine if members are interested in a printed roster or an online roster or both.

The nominating committee presented the following nominations: Richard Rich, Commodore; Bruce Chambers, Vice Commodore; Susan Hoffman, Secretary/Treasurer. It was motioned second, and carried to accept these nominations.

The remainder of the meeting was turned over and led by the new Commodore, Richard Rich. Burgee presentations were made to the incoming bridge. Sign ups for future cruise posts were made available to members.

The meeting was adjourned at 2:41.
